

The Nature and Raptor Center of Pueblo is a member supported nonprofit organization located in scenic Rock Canyon right on the Arkansas River. We feature a variety of facilities as well as nature programs that are an economic driver for the Pueblo area.

### The Nature and Raptor Center of Pueblo Attractions

Since the Nature and Raptor Center of Pueblo was created in 1979, we have:

Become a member of our Legacy Circle and help sustain the mission of the Nature and Raptor Center for 5 years. Your contribution each year will help assure that our children grow up with a deep appreciation of our natural world and that birds of prey get a second chance in the wild.

Received over 4 million visitors

Treated over 5500 birds of prey from 46 Colorado counties and 7 other states

Presented environmental education programs to over 250,000 students

\$1,000	per year, will support programs for 10 children or rehabilitation for 10 birds of prey.
\$2,500	per year, will support programs for 25 children or rehabilitation for 25 birds of prey.
\$5,000	per year, will support programs for 50 children or rehabilitation for 50 birds of prey.

*The Mission of the Nature and Raptor Center of Pueblo is to provide unique experiences in education, conservation and recreation that inspire environmental stewardship.*
